Answers on page 39

## Clinical Quiz

- 40** Drinking Discomfort  
Answers on page 35

Below are our Publishing Partners for 2016. Each organisation has demonstrated its commitment to health in Africa by supporting this publication throughout the year.

# The mosquitoes are losing.

With operations around the world, the fight against malaria is our fight, too. That's why ExxonMobil provides organizations with the resources to fight the disease, having reached more than 100 million people worldwide and helped with a global effort that has reduced the number of deaths by nearly 50% since 2000. We're committed to helping our partners make a difference — until the battle is won.

## ExxonMobil

Energy lives here™
