

January 2019 Volume 41 Number 2

Africa HEALTH

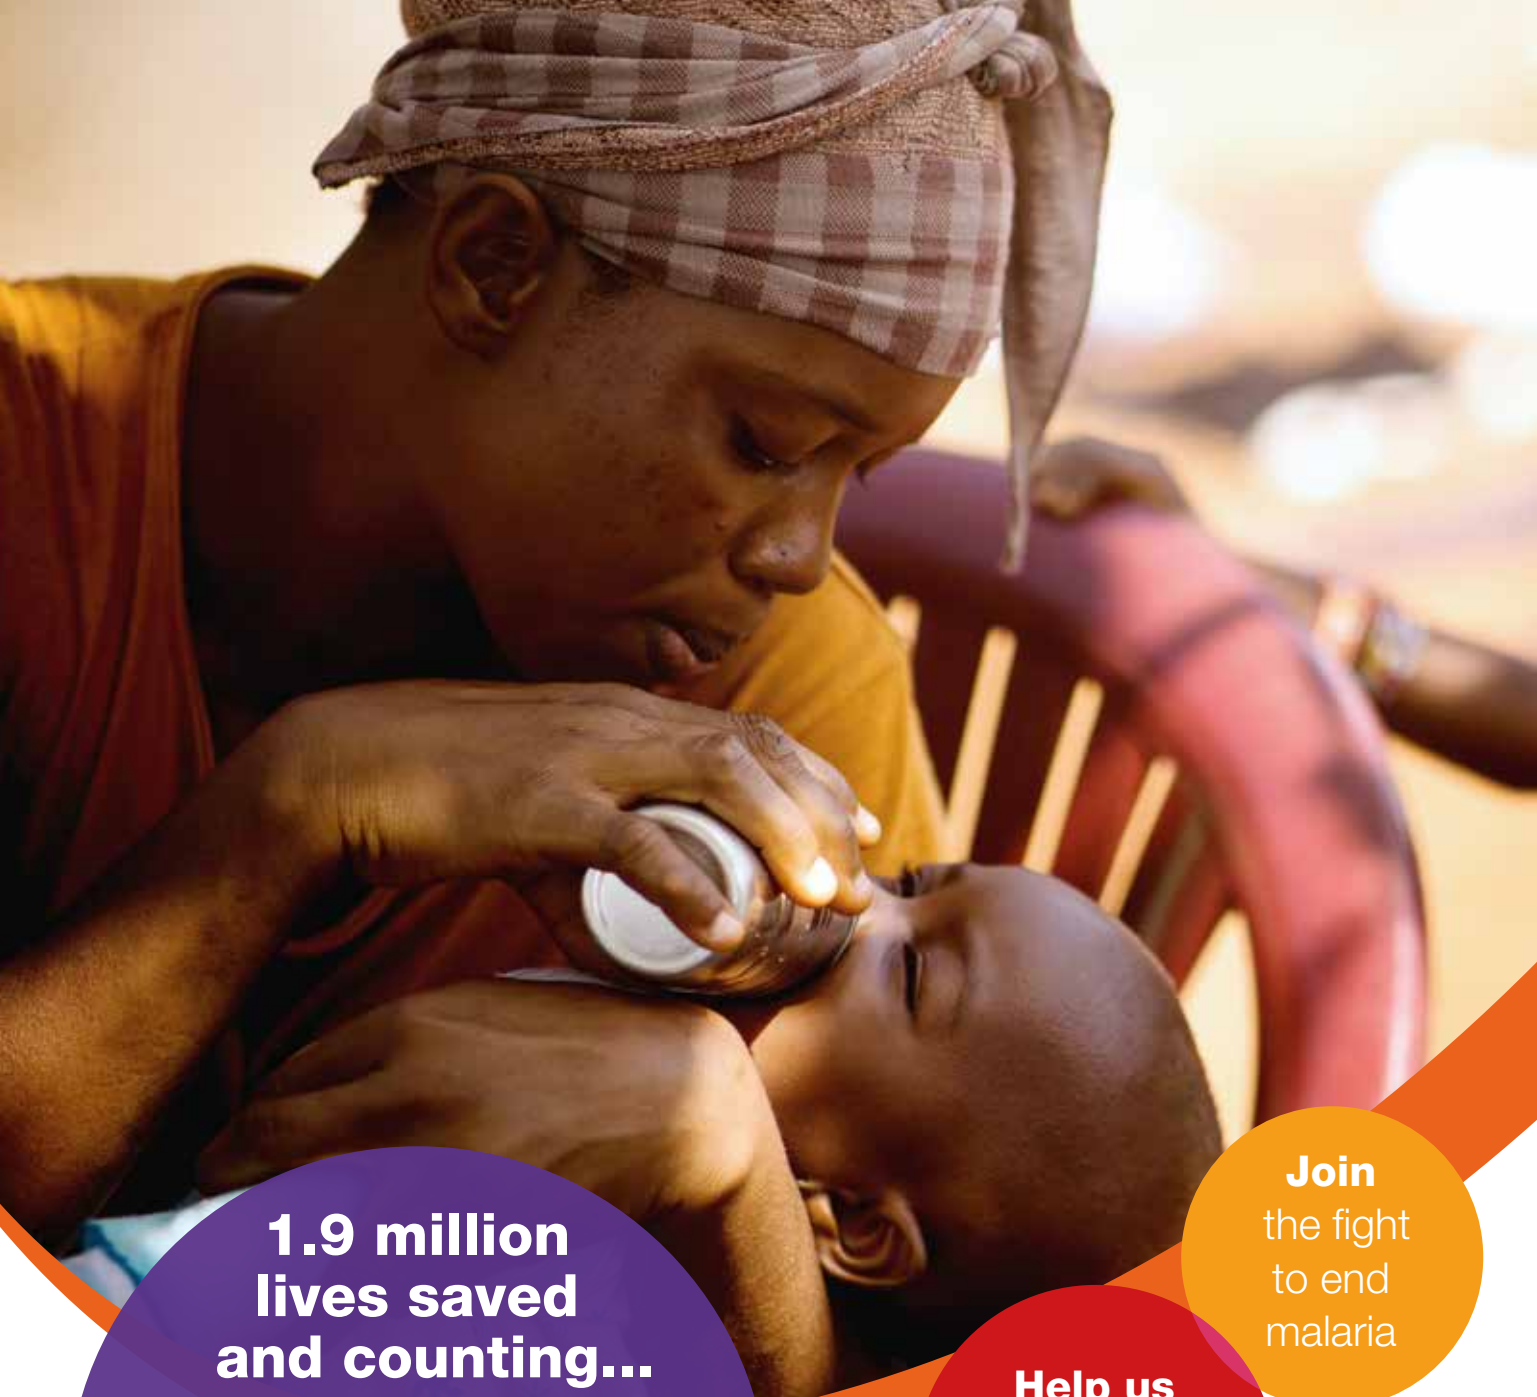

**Family medicine for UHC
from Alma Ata to Astana**

**Challenge of asymptomatic
malaria infections**

**The rise of the African
Medicines Agency**

**The mental well-being of
health professionals**

**Anti-Microbial Resistance in
Uganda**

1.9 million lives saved and counting...

For the past 20 years, MMV and partners have been discovering, developing and delivering new antimalarials to save lives. We will not stop until malaria is defeated.

Join
the fight
to end
malaria

**Help us
build**
a healthy world
for all

Defeating Malaria Together
