Africa HEALTH

JOURNAL

Racism and sectarianism

Covid-19 highlights the global health workforce crisis

Prevention and control of neurocysticercosis and epilepsy

Doing more with less

Paediatric disclosure of HIV diagnosis

1.9 million lives saved and counting...

For the past 20 years, MMV and partners have been discovering, developing and delivering new antimalarials to save lives. We will not stop until malaria is defeated.

Help us build
a healthy world
for all
