

Prepare for pandemics now

Responding to pandemic-induced health system challenges in Malawi

Using social data in the information landscape

Inter-sectoral collaboration for COVID-19 response in Africa

Certification of polio eradication in Africa

1.9 million lives saved and counting...

For the past 20 years, MMV and partners have been discovering, developing and delivering new antimalarials to save lives. We will not stop until malaria is defeated.

Help us build
a healthy world
for all
